Medi-Cal Peer Support Specialist Certification- Website Navigation:
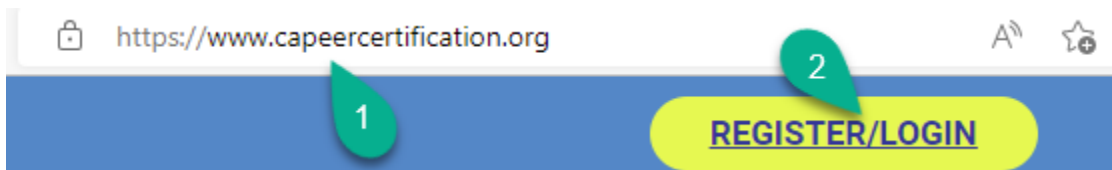

How to Revise Your Application

Step 1:

Go to the CalMHSA Peer Certification website at www.capeercertification.org

Step 2:

Click on Register/Login at the top-right corner of the webpage.

Step 3:

Make sure you choose the "Log In" option and enter the email address and password you used at the time of registration. Click on "Log In" at the bottom of the screen.

For password resets: Click on "Don't remember your password?" This will generate an email, and you will need to check your email and follow the instructions.

Step 4:

The menu on the top-right displays the following: **Dashboard**, **My Application**, and **List of Approved Training Vendor** options. Click "**My Application.**"

Next, click on **"Revise my application."** You can now make the necessary edits.

Please note: Changes can be made only to applications that are in the "pending" stage.
