

Medi-Cal Peer Support Specialist – Scholarships

INTRODUCTION

The California Department of Healthcare Services (DHCS) is invested in supporting workforce and development in the public behavioral health system. DHCS is the state agency in charge of administering the state’s Medicaid (Medi-Cal) programs. Aligned with Senate Bill 803, which adds a certified peer support specialist as a new Medi-Cal provider type and peer services as reimbursable via Medi-Cal. DHCS has set standards for minimum requirements for certification of Medi-Cal Peer Support Specialists in California.

DHCS has identified the California Mental Health Services Authority, (CalMHSA), as the state’s certifying entity for the certification of Medi-Cal Peer Support Specialists. The role of CalMHSA as the certifying entity is to issuance of certifications for Medi-Cal Peer Support Specialists and to ensure all policies and procedures guiding the certification program are upheld and applied uniformly, including standards for training and exam.

CalMHSA’s role includes:

- Administration of scholarships
- Issue certifications for Medi-Cal Peer Support Specialists
- Ensure all requirements are met by an individual prior to receiving a certification for Peer Support Specialist.
- Develop, administer, and score the exam for certification.

SCHOLARSHIP BACKGROUND

DHCS has made limited funding available in the form of scholarships for Peers seeking to Certification for Medi-Cal Peer Support Specialists in California. A peer is defined as a person having experience with the process of recovery from mental illness or substance abuse disorder, either as a consumer of these services or as the parent, caregiver, or family member of a consumer. **The scholarships and funding are time limited.** A total of 5,000 scholarships are available: 2,500 for peers under the grandparenting process and 2,500 for “initial” peers, not under the grandparenting process.

The peer support benefit is considered an optional benefit for counties. This means that a county may elect to establish this benefit. The scholarships are available only to counties who have elected to implement the peer support benefit. Participating counties will identify individuals for scholarships within

their respected county who are currently employed or working within their Mental Health or Behavioral Health plans, including their contract provider network. Individuals seeking certification under the out-of-state reciprocity process are not eligible for participation in the scholarship program.

Scholarship applications are open as follows:

- May 2, 2022 – ~~September 30, 2022~~ November 30, 2022
 - For applicants seeking certification under the **grandparenting** process, applicants must be employed as a Peer as of January 1, 2022, and shall meet the work experience, training requirements, and all other requirements under the grandparenting process.
 - Scholarship under the grandparenting process covers application and exam costs.

- July 1, 2022 – ~~September 30, 2022~~ November 30, 2022
 - For applicants seeking **initial certification**, not under the grandparenting process, applicants shall meet training and all other requirements.
 - Scholarship covers application, training, and exam costs.

- Scholarship applications are open as noted above or until scholarships have been depleted, whichever comes first. A total of 5,000 scholarships will be distributed: 2,500 for peers under the grandparenting process and 2,500 for peers seeking “initial” certification, not through the grandparenting process.

- Scholarships shall expire on ~~November 30, 2022~~ December 31, 2022¹. This means an individual must be registered for the certification exam prior to ~~November 30, 2022~~ December 31, 2022, or the scholarship will be forfeited and considered expired/invalid.

- No extensions will be granted for expiration of scholarships.

¹ Dates are based on the availability of the exam being published and are subject to change.

SCHOLARSHIP PROCESS

County Process

Recognizing the diversity in county populations, information about scholarship availability shall be disseminated by each county. Each county will provide information on the process for selection and/or requests for consideration for the scholarship. Each participating county will be informed of the number of available scholarships for their county for either, mental health or substance use disorder plans or both, dependent on county's election of implementation of the peer support benefit. Each county shall identify a liaison to coordinate with CaIMHSA on the scholarship distribution. The liaison will provide the names of applicants for scholarships.

Certifying Entity

CaIMHSA, will administer the distribution of scholarships in coordination with counties who have elected to implement the peer support benefit. **The scholarships and funding are time limited.** The DHCS has identified a specified number of scholarships that each of the counties will receive. The number of scholarships each county receives is based on the overall percentage of persons eligible for Medi-Cal in the respected county. In the case where more scholarship applicants than scholarships are available for any given county, the applicant who has met minimum requirements shall be placed on a waitlist. CaIMHSA has reserved 30 scholarships in the event of unforeseen situations.

- All scholarship applications will be reviewed by the certifying entity.
- Only completed applications will be reviewed.
- Applicant will be notified of status of their application within 30 calendar days from date the application was submitted. All notifications to the application shall be made through electronic communication (email) using the email address on file.
- Waitlist: When scholarships are no longer available for a given county, the applicant will be placed on a waitlist.
- Scholarships shall expire on ~~November 30, 2022~~ December 31, 2022. Persons awarded a scholarship shall have registered for the exam by ~~November 30, 2022~~ December 31, 2022, otherwise the scholarship is forfeited and invalid.
